## SET TO REPRESENT AUSTRALIA

**Nick Calvert, Lachlan Coxsedge and Ethan Eyles** have been selected to represent Australia in the World Junior Individual Championships in NZ in July. **Courtney Mather** has been selected to represent Australia in the Individual and Team Championship. Congratulations!

# Q SQUASH NEWS

## EDITORIAL

**April was a fairly quiet month in Australia but there was plenty of action in NZ.**

Those juniors to make the trip had the opportunity to play in the Oceania Junior Championships and the NZ Junior Open. Those representing Australia also played in the Trans Tasman Test Series.

A number of Masters players participated in the World Masters Games. **Dale Robbins** reached the final but was denied by another Aussie. He won a silver medal in the O55M whilst **Danny Woolbank** picked up a bronze medal in the O40M.

There was a boardroom reshuffle recently. Ros Preston has stepped down as President and will now fulfill the role of Treasurer. Jonathan James has become the new Q Squash President and Nathan Turnbull has moved from Treasurer to Vice President.

On behalf of Q Squash I would like to thank Ros for her distinguished service as President. I would also like to wish Jonathan all the very best as he leads Q Squash into the future.

### TRANS TASMAN TEST SERIES

Seven Queenslanders represented Australia in the Trans Tasman Test Series against NZ.

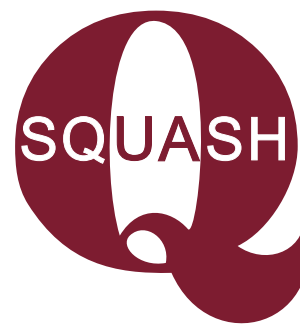

Australia was absolutely belted by the Kiwis 26-10 over the 2 days.

Hayley Hankinson made up for her disappointment in the Oceania Junior Championships by winning both her matches.

Lachlan Coxsedge and Katie Davies enjoyed one win each.

# Q SQUASH UPDATE

On the 1st of May, Ros Preston stood down as president, handing the reins to myself, Jonathan James.

I would like to thank Ros for her contribution as President for the last 5 years. Where Q Squash was when she started to now is a true testament to her fortitude and commitment to our sport. My hope is that she continues to serve the Board and the Squash community for some time to come.

I am aware that a percentage of you don't know me, as I am new to the greater Queensland Squash community, so a little background about me, I have played Squash for the last 40 years, firstly in Wellington, my place of birth, then more recently in Brisbane for more than a decade. Professionally, I am a Project Manager primarily in the Energy and Technology sectors, I believe these skills will be an asset to my new role.

## **Your new Q Squash Board is;**

President: Jonathan James (Brisbane)  
Vice President: Nathan Turnbull (Brisbane)  
Treasurer: Ros Preston (Central)  
Secretary: Rhonda Hite (Central)  
Directors: Mario Di Bella (Northern),  
Nathan Stevenson (Southern) and  
Rhys Mountford-Jones (Southern)

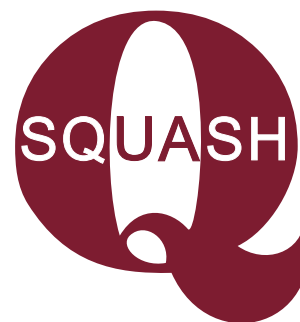

The biggest challenge that Squash in Queensland and Australia faces, is the accelerating decline in the number of players, while Squash worldwide is seeing somewhat of a resurgence, Australians continued to switch to alternative sports or worse non-participation of sport altogether. This is a problem facing both metro and rural Queensland and only with a plan to growing squash participation across the whole state will we break this trend.

I am committed to developing a realistic strategic plan based on growth and development, one which takes into account the additional challenges faced in rural Queensland. The only way for this to be successful is for all of the state to play an active role.

There has been a number of issues with the new affiliation process which we are working on to resolve, and a number of centres and members across the state who are not affiliating as they believe it offers them very little value. I want to work with them to find ways for them to be active in the greater squash community and find ways to make being affiliated better value for all of us.

We need to actively review the Q Squash constitution and policies, ensuring they are up to date and fair for the whole Squash community, I would like to see this achieved

# Q SQUASH UPDATE

through working groups chaired by a member of the Q Squash Board and made up of representatives from all regions.

We need to improve our planning and our communication, providing as many ways as possible to promote our game and communicate with each other about the positive work and events happening across the state.

## Thank you

I firmly believe that our future success begins with looking after our own. If we have a happy squash community, then it will become contagious, new people will feel more welcome and this helps to build a healthy, better functioning squash community. Thank you, once again, to everyone working, playing and supporting our game. I look forward to working with you all, for our game.

# SQUASH INSIDER

*Getting to know our champions*

**Q SQUASH TALKS TO  
JON VAN DER KREEK**

# Q SQUASH TALKS TO

## JON VAN DER KREEK

**As at the 10/2/2017 you were no longer a junior. Did you achieve what you wanted to in your final year?** In my last year of juniors, I represented the Australian squad at the World Junior Championships in Poland and came second at the Australian Junior Open both of which I'm very proud to have achieved.

**What are your best memories as a junior?** Looking back at my junior memories, by far my favourite memories were of getting selected into state and national teams. Being able to compete for my state and country were a great honour and I encourage all to take as many of these opportunities as they can.

**You were Captain of the Sharks for two consecutive years ... did you enjoy being Captain? What did you like about it?**

Uniting the sharks for the past two years was very humbling and for the most part enjoyable. Having the task to keep all the shark traditions alive and to build on them was one of my favourite parts of the captaincy.

Nick Calvert

**You had an epic battle with Nick Calvert at the AJO. Is he your main rival?** Nick and I seldom have a match that is ended in either a three or four set victory and that was once again the case at the AJO. Nick will always be a fierce opponent (if he doesn't surpass me too quickly) but I believe our friendship these days far outweighs our competition on the squash court to call him a rival.

**You went to the World Junior Championships last year? What was that like?** The WJC in Poland was a great eye opener if you ask anyone who goes. The squash ability of players from all over the world was phenomenal and just shows how far dedication and commitment to junior squash can get you. The class of squash was extraordinary and I recommend anyone who has the opportunity to go to such an event takes it.

**What did you learn from that experience?** I learnt greatly technically about the sport and also how Australia fits in with the other countries around the world. There was a wide range of techniques used and strategies implemented to get the same job done which was inspiring. Especially when looking at the Egyptians, they are at the top of the ladder in world competition and amongst them some play slower paced basic games and some play with very aggressive and intense game styles which both worked extremely well.

**In your opinion is squash in Australia just as good as squash overseas? What are the differences?** Australia for the most part was very

# Q SQUASH TALKS TO

## JON VAN DER KREEK

consistent compared to other countries. while Australia had a stronger depth compared to a great deal of countries, we lacked a great variation in skill level. Also Australia had for the most part very similar game styles while most countries had players with a great variance in play style. In the end Australia placed very well, coming 7th best in the world but the gap compared to the top countries was still very evident.

### **What are you studying these days? What are you planning to do in the future?**

Currently I am studying Engineering and science at the University of Queensland. I would like to get into a solid rhythm with my studies at the moment and that is why I am putting my squash on the back burner. I am still training about four times a week but my studies in this period of my life is the main focus. My plan is to get back into squash after I progress through my degrees.

### **Have you had any interest in the PSA?**

I have a great interest in playing PSA events. The strong competition is very enticing but at this moment I will most likely only play events that are close and convenient.

**Favourite city in Australia?** There are many great and beautiful cities in Australia, a few being the tropical Queensland cities further up north but I will always love Brisbane the most. I have too many fond memories of Brisbane growing up here for most of my life for it not to be my favourite city in Australia.

### **Do you play any other sports? How do you maintain your fitness?**

I don't have too much time to play any other sports currently, and if I did I would probably just play squash more as I enjoy it the most. I used to row and play soccer when I was younger which I enjoyed. Nowadays my fitness is maintained through squash, riding my bike to university, and also body weight exercises.

### **How much training are you doing?**

I train about four days on court a week plus minimal off court work.

### **Is anyone coaching you these days? Tell me what you like about your coach.**

I have learnt from a great deal of squash coaches but I would never say I've had a coach for a great deal of time. Most of my squash was developed through self-evaluation and critique. Right now I mainly train with my friends at Acacia Ridge Squash Centre which is growing in squash level and community and that is what I am enjoying the most.

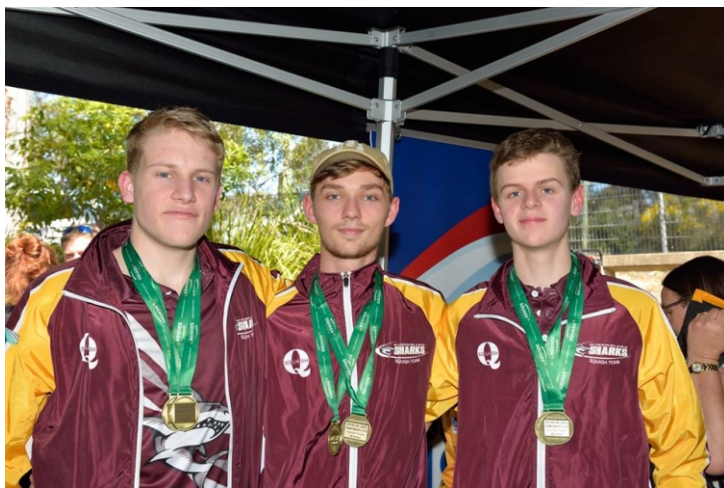

# Q SQUASH TALKS TO

## JON VAN DER KREEK

**Favourite shot and why?** Everyone who knows me probably knows that my favourite shot has to be a big forehand nick. Although I know and most people will tell you, it gets me into trouble a great deal, but for a shot to instantly finish a point gives me great joy.

**Who in sport do you admire? Who in squash do you admire?** Honestly I don't watch a great deal of sport but someone who I do admire in the sporting world immensely is the great Roger Federer. He is the epitome of sportsmanship and skill and to enjoy playing a sport, win or lose, I believe equal sportsmanship is needed. In squash I personally like Ramy Ashour, his play style being very attacking and tricky is always great to watch alongside his great sportsmanship and fair play makes me admire him tremendously.

**Have you got an interest in coaching?** I currently coach a group of beginners on a Saturday morning which I find very enjoyable and rewarding, it is sort of like captaining a regional or state team once again in respect to mentoring and helping younger players.

With Alex Eustace and Nick Calvert

**Favourite food?** I drink far too much milk, usually with milo. It has sort of grown to be an addiction in all honesty.

**What do you like doing to prepare yourself for a big match? On the day and 15-30 minutes prior?** I like to make sure all my equipment is in order and that I have a plentiful supply of shirts and sweatbands. Coming up to the game I'll stop talking to people and just try and keep my mind blank as I've had problems with over thinking and becoming nervous. Before the game I will have a quick dynamic warm up usually in the sun to wake myself up.

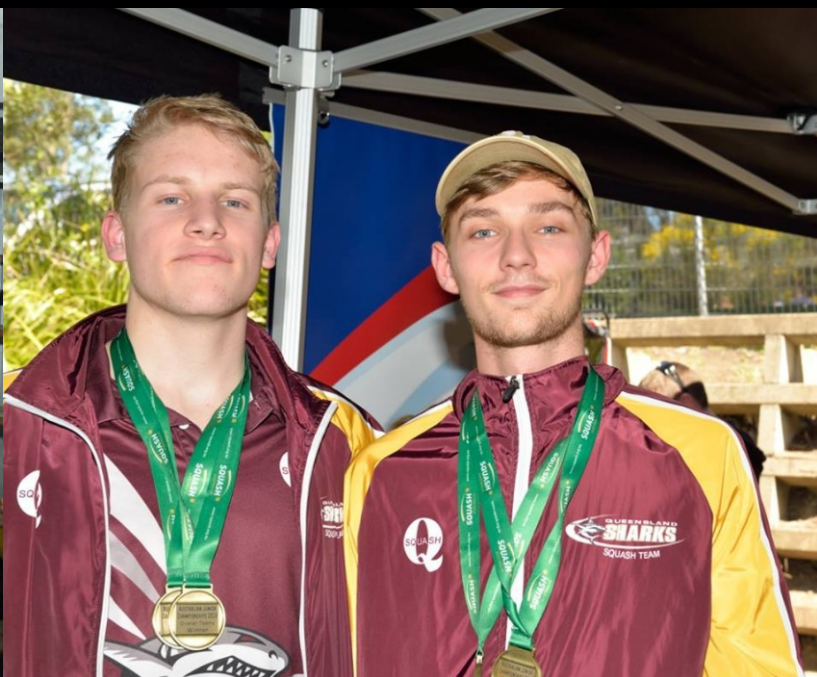

**Do you have any sponsors that you would like to thank?** The major sponsors in my life have always been my parents and without their time and financial sacrifice I would have never had the opportunities that I have had and for that I'm extremely thankful.

**You are the State/National CEO of squash ... what would you do to spark a revival of squash in Queensland/Australia?** This is a tough complex question with no straightforward answer. In my opinion a great deal of the power is in the hands of club owners to develop a great community with interest from people of all ages.

**One of my favourite memories of Jon involves an impersonation of Buzz Lightyear! Thanks for the memories Buzz!**

## **NERANG JUNIOR COACHING & COMPETITION PROGRAM**

At Nerang, we run a Junior Coaching and Competition Program for all ages and skill levels. Presently we have a roll up of around 20 to 25 players.

Every Saturday morning, starting at 9:00am we do Junior Coaching through to 10:30am.

We have 4 coaches and as our Juniors improve, we move them into a more advanced group.

At 10:30am, we are currently running a Round Robin Competition with 3 different skill standards/divisions.

At the end of this current competition, we will be commencing a Teams Competition where our Juniors will also learn to work as a team by helping their team mates between games and encouraging them during games.

## **CAMERON DARTON**

Cameron was introduced to squash by Caleb and Sebastian Johnson in 2015. He has played in the Warwick Rose City Squash Club fixtures each year since then.

In 2015 Cameron was selected to play in the Darling Downs Secondary School team for the Under 15 boys division at Acacia Ridge. In 2016 he played in the Under 19 division at Wavell and was the winner of Pool B. This year he is looking forward to playing for the Darling Downs team again in Rockhampton.

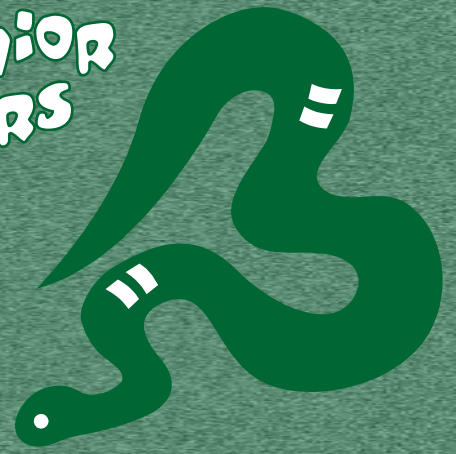

Cameron has also been a member of the Southern Storm team for 2 years and has played in the team events at the QJC in Brisbane and Mackay. This year he is planning to play in the Individual competition at the QJC as well.

Over the last three years Cameron has enjoyed training and playing squash. He takes every opportunity to meet up and play or train with other players. He enjoys the camaraderie of being a part of a team and meeting like minded people.
